

10" Pandora SOHO Network Wall Mounting Cabinets

Flat Pack Design, Super Economy in Logistics

10" Pandora SOHO Network Wall Mounting Cabinets

Width: 316 mm
Depth: 298 mm

Construction Details

Framework - Top/Bottom Cases:

Multi Folded Automated Bending technology applied framework and top/bottom cases, provides a heavy duty structure results to high load capacity of: 20 kgs on wall nominal load.

Monoblock multi folded top and bottom cases resulted to a very heavy construction, tightly fixed to the framework with fixing hardware, fully modular system generated.

Top case integrated with a brushed cable entry point with w:145 mm x d:70 mm size allows proper cabling insertion as well preventing the dust entry.

Bottom case integrated with a PVC Gland plate w:145 mm x d:70 mm.

In case of cables to be inserted from bottom case, the brushed cable entry and PVC gland plate could be replacing each other. The full length smoked, shatterproof, antistatic, 4,0 mm thickness glass with single point locking barrel lock is standard shipping configuration.

Front door opening direction is set right to left, but reversible to left to right at site with removing the hinge system. Hinge system is channel type with screws.

Available / Stocked Pandora SOHO Network Wall cabinets are in RAL 7035 Light Grey and Black RAL 9005 colors.

Flat packed product range offers cost saving in transport, as well product is very customer friendly in assembly operations with only 4 screws to complete the assembly work.

For project cases assembled products can be delivered, please coordinate with the sales department incase of assembled product inquiries, unless otherwise deliveries are always planned in flat pack conditions.
